

ROLLING BONES

SCORING

The hat doubles all scoring points.

Plus (+) the number of bones in the correct place in an incomplete body section.

Minus (-) the number of misplaced bones times 5.

A gravestone is required for scoring (i.e., no gravestone, no score).

sequence of scoring:

- 1.) gravestone
- 2.) completed body parts
- 3.) single bones at the right place
- 4.) bones at the wrong place
- 5.) hat
